Welcome to SoFi Capital Markets University

January 28, 2026

Dear Colleagues,

Welcome to SoFi Capital Markets University (CMU). CMU is an internal education program designed to build institutional knowledge across capital markets, structured finance, execution, investor engagement, and risk management.

The program blends theory with real-world application and is intentionally designed to be modular, flexible, and durable over time.

Sincerely,

Richard Johns

Richard Johns

Dean, SoFi Capital Markets University

Executive Summary

SoFi Capital Markets University (CMU) is a structured internal education program designed to institutionalize capital markets expertise across SoFi. The program spans the full capital markets lifecycle and is led by senior leadership, supported by external partners, and built to evolve alongside business priorities.

Faculty

- Richard Johns – Dean
